## Millions of Homeowners Need Consumer Helps In This Economy!

The evening news isn't very exciting at this time in history, as unemployment and corporate cutbacks and slow businesses have left American families in serious debt and a high level of wondering what will happen next! People who have been hit hard at this time need to remain positive and get themselves a game plan. There are individual and specified solutions to many issues, and we hope this newsletter can help you to find a few of those helps!

### Mortgage Modifications!

Our firm, MFN, has knowledge and skill in helping homeowners see the next step in the mortgage solution process and plan. Lenders are settling right now with millions of homeowners and you can have a settlement too! If you call us, we at MFN, can ascertain for free whether this process is for you and whether you are a good candidate to do this. If you do qualify, then using MFN can save you hundreds or thousands of dollars, as our service cost is lower and the care you receive superior. MFN can put you into the hands of an attorney, very economically, who can see to it that you get professional representation on your mortgage. Most lenders such as yours are ready and waiting to speak with a professional that you may hire, but we do not recommend you attempt this on your own, as it may be harmful to the attempt of a professional on your behalf later. Many homeowners are seeing huge rate savings and payment saving after using a professional. Call MFN today about your own mortgage modification!

### Home Based Business!

You may find out how to refer or resell these products with MFN at the website below. MFN has been serving consumers responsibly for over 30 years!

### Debt Elimination!

Many consumers and families are in debt bondage and need help immediately. Credit card firms prey on families and most of those credit cards are designed to *not* be paid off, but rather to keep people trapped in a financial nightmare and on a fiscal treadmill for decades without escape. People consolidate their debts but this band-aid solution doesn't totally restore the family who finds new pressing needs for credit and then they add further debt. The best way to get off the treadmill and to remove all credit card, medical and dental debt is to do a debt elimination! This requires a professional service who does a negotiation for the consumer which saves as much as 40% to 60% on the balances and the monthly payments! The debt can be gone in as little as 12-36 months. You may call MFN today to discuss the finality and the retiring of *all* of your credit card debt. MFN can give you a free analysis of the cost versus the savings and show you a clever plan to be debt free quickly. Most people are elated at the numbers on the analysis, and often cannot believe they didn't act sooner! Using this service actually costs less than the consumer is paying managing the debt load!

### Tax Resolution!

52 million Americans have serious IRS tax problems and the IRS has recently added over 800 new collectors to bring pressure and results in collecting people's back taxes. At MFN, we have a crack team of ex-IRS specialists and CPAs who have understanding in bring settlements and resolution to late tax debts. Families can quit living under a cloud of fear and regret and take action to save money and settle tax debt for pennies on the dollar. Consumers can get help with *Offer and Compromise*, payroll taxes, liens, unfiled taxes, levies and garnishments, installment agreements and many more issues. Call MFN today to find out how to proceed.
